

K-Love is heard in my community on 96.3, 89.9 or 103.1. It is a very important part of my day along with many christians in our community of Danville, KY. If this station was taken off the air I can not explain how big of an impact it would have. It is the number one listened to christian radio station and we would have nothing to replace it. It is important to our young community to have such an upbeat station to listen to.
